

# IN-SITU REMEDIATION SERVICES

## ABOUT HEPACO

Founded in 1984, **HEPACO, LLC** (HEPACO) is a professional environmental services company with strategically-located service centers providing coverage throughout the Eastern United States, and beyond.

## IN-SITU REMEDIATION SERVICES OVERVIEW

HEPACO has highly-trained people and state-of-the-art equipment to support innovative approaches to environmental remediation. HEPACO has industry-specific expertise with various in-situ remediation technologies, including: **hazardous soil remediation; in-situ chemical oxidation; enhanced aerobic biodegradation; metals stabilization/fixation; and enhanced reductive dechlorination.** We also have extensive experience with the construction and installation of in-situ remediation systems, including soil vapor extraction, air sparge, and pump-and-treat systems.

## SAFETY IS AT THE HEART OF OUR CORE VALUES

HEPACO has a deeply-ingrained safety program that is embraced across every level of our organization. We maintain an **Experience Modification Rating (EMR) of 0.75.** All HEPACO field personnel receive extensive training and are part of a medical monitoring program. In addition to HAZWOPER, RCRA, DOT, confined space entry/rescue and first aid/CPR training, we maintain a wide variety of certifications, including **SafeLand, Pipeline Operator Qualified (OQ), Loss Prevention Systems (LPS), API Tank Entry Supervisor (TES), and API WorkSafe.** HEPACO is pre-qualified by the contractor screening consortiums **ISNetworld, CCS, PEC Premier and Avetta.** We are also a permitted hazardous waste transporter and a U.S. Coast Guard classified **Oil Spill Response Organization (OSRO #32).**

## OUR SPECIALIZED SERVICES

- Hazardous soil remediation
- In-situ chemical oxidation
- Enhanced aerobic biodegradation
- Enhanced reductive dechlorination
- Metals stabilization/fixation
- In-situ treatment system installation
- Soil vapor extraction
- Air sparge
- Pump & treat systems
- Brownfield remediation

- MGP site remediation
- Vapor barrier installation
