

CORONAVIRUS (COVID-19) RESPONSE SERVICES

ABOUT HEPACO

Founded in 1984, **HEPACO, LLC** (HEPACO) is a professional environmental services company with strategically-located service centers providing coverage throughout the Eastern United States, and beyond.

CONCERNED ABOUT CORONAVIRUS? We are, too. That's why HEPACO is a trusted resource for so many of our clients, especially in critical times of need. Across our footprint, HEPACO has the qualified team and ample resources at-the-ready to support decontamination and biological cleaning efforts for **schools, municipalities, universities, hospitals, stadiums and arenas, convention centers, retail facilities and gas stations, public transportation, manufacturing plants,** and other large-scale facilities in response to the COVID-19 virus.

TRUSTED EXPERT. Founded in 1984, HEPACO is a respected industry leader in environmental emergency response. Our teams plan and prepare daily for large-scale incidents and responses just like this. We're working closely with many of our clients to develop customer and site-specific response and decontamination plans to manage suspected and confirmed cases of the COVID-19 virus. And we're monitoring daily updates from the CDC and state officials as this fluid issue continues to evolve.

WE'RE PREPARED. Our HEPACO Teams have the necessary training, equipment, resources and documents to respond to decontamination requests across our footprint. We have acquired appropriate levels of PPE and supplies for decontamination and have those resources strategically located across our regions for quick deployment, when needed. Our teams have already responded to several suspected coronavirus incidents in public transportation and retail facilities.

ARE YOU PREPARED? HEPACO is ready to help you plan and respond to a coronavirus incident. Now is the time to get your response plan in order. Let's talk. Give us a call today at 800.888.7689. Get to know **#TheHEPACODifference**.

HEPACO™

SAFETY FIRST

#WEWORKSAFE
Every Job, Every Day!

SAFETY IS AT THE HEART OF OUR CORE VALUES

HEPACO has a deeply-ingrained safety program that is embraced across every level of our organization. We maintain an **Experience Modification Rating (EMR)** of **0.75**. All HEPACO field personnel receive extensive training and are part of a medical monitoring program. In addition to HAZWOPER, RCRA, DOT, confined space entry/rescue and first aid/CPR training, we maintain a wide variety of certifications, including **SafeLand, Pipeline Operator Qualified (OQ), Loss Prevention Systems (LPS), API Tank Entry Supervisor (TES), and API WorkSafe**. HEPACO is pre-qualified by the contractor screening consortiums ISNetwork, CCS, PEC Premier and Avetta. We are also a permitted hazardous waste transporter and a U.S. Coast Guard classified **Oil Spill Response Organization (OSRO #32)**.
