## ABOUT HEPACO

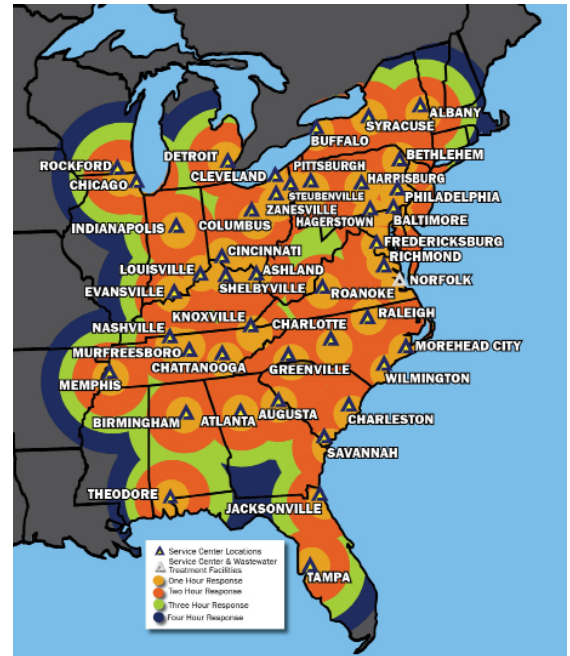

Founded in 1984, **HEPACO, LLC** (HEPACO) is a professional environmental services company with strategically-located service centers providing coverage throughout the Eastern United States, and beyond.

## ABATEMENT SERVICES OVERVIEW

HEPACO's abatement services division pioneered the asbestos, lead, and mold abatement industry. Our record of on-time delivery with minimal disruption to ongoing activities at our clients' facilities has earned HEPACO a national reputation for quality workmanship. HEPACO has been the innovator of both methods and equipment that have become the standard in the industry. In acknowledgement of this leadership, HEPACO is ranked as one of the nation's top asbestos, lead, and mold abatement contractors by *Engineering News-Record*, but more importantly by our abatement services clientele.

## SAFETY IS AT THE HEART OF OUR CORE VALUES

HEPACO has a deeply-ingrained safety program that is embraced across every level of our organization. We maintain an **Experience Modification Rating (EMR)** of **0.81**. All HEPACO field personnel receive extensive training and are part of a medical monitoring program. In addition to HAZWOPER, RCRA, DOT, confined space entry/rescue and first aid/CPR training, we maintain a wide variety of certifications, including **SafeLand, Pipeline Operator Qualified (OQ), Loss Prevention Systems (LPS), API Tank Entry Supervisor (TES), and API WorkSafe**. HEPACO is pre-qualified by the contractor screening consortiums ISNetwork, CCS, PEC Premier and Avetta. We are also a permitted hazardous waste transporter and a U.S. Coast Guard classified **Oil Spill Response Organization (OSRO #32)**.
