

WETLAND, STREAM & CHANNEL RESTORATION

ABOUT HEPACO

Founded in 1984, **HEPACO, LLC** (HEPACO) is a professional environmental services company with strategically-located service centers providing coverage throughout the Eastern United States, and beyond.

WETLAND, STREAM & CHANNEL RESTORATION SERVICES OVERVIEW

HEPACO has highly-trained people and state-of-the-art equipment to support complex wetland, stream and channel restoration projects. Our industry-specific experience includes **stream restoration, river restoration, channel modification, wetland creation, wetland restoration, reservoirs, dams, canals, shorelines, slope stabilization** and **bank stabilization**.

SAFETY IS AT THE HEART OF OUR CORE VALUES

HEPACO has a deeply-ingrained safety program that is embraced across every level of our organization. We maintain an **Experience Modification Rating (EMR)** of **0.75**. All HEPACO field personnel receive extensive training and are part of a medical monitoring program. In addition to HAZWOPER, RCRA, DOT, confined space entry/rescue and first aid/CPR training, we maintain a wide variety of certifications, including **SafeLand, Pipeline Operator Qualified (OQ), Loss Prevention Systems (LPS), API Tank Entry Supervisor (TES), and API WorkSafe**. HEPACO is pre-qualified by the contractor screening consortiums **ISNetworld, CCS, PEC Premier** and **Avetta**. We are also a permitted hazardous waste transporter and a U.S. Coast Guard classified **Oil Spill Response Organization (OSRO #32)**.
