

OILFIELD SERVICES

ABOUT HEPACO

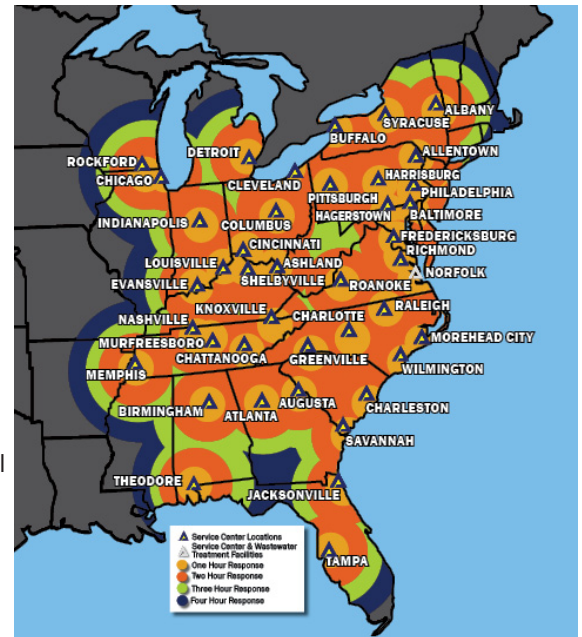

Founded in 1984, **HEPACO, LLC** (HEPACO) is a professional environmental services company with strategically-located service centers providing coverage throughout the Eastern United States, and beyond.

OILFIELD SERVICES OVERVIEW

HEPACO has highly-trained people and state-of-the-art equipment to respond to environmental service needs in support of the shale gas industry. Our industry-specific experience includes **tank cleaning; rig washing; mud pit cleaning; roll-off truck services; super sucker services; waste transportation** (non-hazardous & hazardous); **waste containers; emergency response** (frac-outs, spills); **air knifing** (pipeline excavation); **impoundment pond remediation; product transfers; confined space entry/rescue; and NORM/TENORM sampling.**

SAFETY IS AT THE HEART OF OUR CORE VALUES

HEPACO has a deeply-ingrained safety program that is embraced across every level of our organization. We maintain an **Experience Modification Rating (EMR)** of **0.81**. All HEPACO field personnel receive extensive training and are part of a medical monitoring program. In addition to HAZWOPER, RCRA, DOT, confined space entry/rescue and first aid/CPR training, we maintain a wide variety of certifications, including **SafeLand, Pipeline Operator Qualified (OQ), Loss Prevention Systems (LPS), API Tank Entry Supervisor (TES), and API WorkSafe.** HEPACO is pre-qualified by the contractor screening consortiums ISNetwork, CCS, PEC Premier and Avetta. We are also a permitted hazardous waste transporter and a U.S. Coast Guard classified **Oil Spill Response Organization (OSRO #32).**
