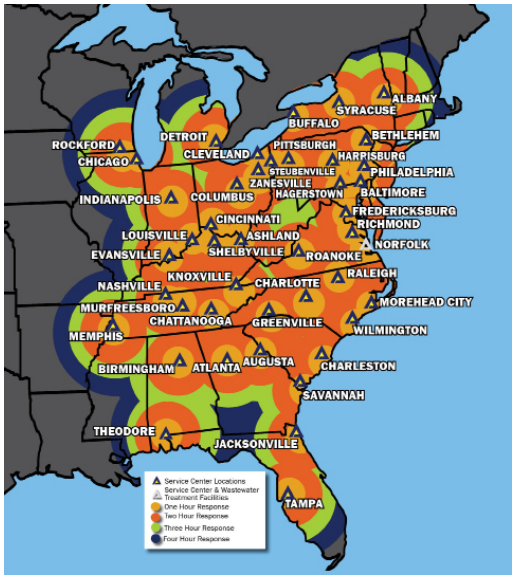
UTILITY SERVICES

ABOUT HEPACO

Founded in 1984, **HEPACO, LLC** (HEPACO) is a professional environmental services company with strategically-located service centers providing coverage throughout the Eastern United States, and beyond.



UTILITIES SERVICES OVERVIEW

HEPACO has highly-trained people and state-of-the-art equipment to respond to environmental service needs in support of the utility industry. Our utilities-specific experience includes **emergency response** (OSRO, spills); **leaking transformers** (PCB/non-PCB); **substation remediation; UST/AST tank cleaning, installation & removal**; **confined space entry/rescue**; **MGP cleanup**; **wetland/stream restoration; ash pond remediation**; **demolition**; **roll-off truck services**; **waste transportation** (haz & non-hazardous); **drum disposal**; **waste containers**; **product transfers**; **air knifing** (pipeline excavation); **hydroexcavation**; **dewatering**; and **line jetting/cameras.**

SAFETY IS AT THE HEART OF OUR CORE VALUES

HEPACO has a deeply-ingrained safety program that is embraced across every level of our organization. We maintain an **Experience Modification Rating** (EMR) of **0.75**. All HEPACO field personnel receive extensive training and are part of a medical monitoring program. In addition to HAZWOPER, RCRA, DOT, confined space entry/rescue and first aid/CPR training, we maintain a wide variety of certifications, including **SafeLand**, **Pipeline Operator Qualified** (OQ), **Loss Prevention Systems** (LPS), **API Tank Entry Supervisor** (TES), and **API WorkSafe**. HEPACO is pre-qualified by the contractor screening consortiums ISNetworld, CCS, PEC Premier and Avetta. We are also a permitted hazardous waste transporter and a U.S. Coast Guard classified **Oil Spill Response Organization** (OSRO #32).
