

RAIL SERVICES

ABOUT HEPACO

Founded in 1984, HEPACO, LLC (HEPACO) is a professional environmental services company with strategically-located service centers providing coverage throughout the Eastern United States, and beyond.

RAIL SERVICES OVERVIEW

HEPACO has highly-trained people and state-of-the-art equipment to respond to environmental service needs in support of the rail industry. Our industry-specific experience includes **emergency response; EHS training; product transfers; light loading; vacuum truck services; industrial cleaning; soil remediation; sheet piling; confined space entry; UST/AST removals; waste identification, removal and disposal; lab packing; waste transportation** (non-hazardous & hazardous); **equipment decommissioning;** and **facility decontamination.**

SAFETY IS AT THE HEART OF OUR CORE VALUES

HEPACO has a deeply-ingrained safety program that is embraced across every level of our organization. We maintain an **Experience Modification Rating (EMR)** of 0.75. All HEPACO field personnel receive extensive training and are part of a medical monitoring program. In addition to HAZWOPER, RCRA, DOT, confined space entry/rescue and first aid/CPR training, we maintain a wide variety of certifications, including **SafeLand, Pipeline Operator Qualified (OQ), Loss Prevention Systems (LPS), API Tank Entry Supervisor (TES), and API WorkSafe.** HEPACO is pre-qualified by the contractor screening consortiums **ISNetworld, CCS, PEC Premier and Avetta.** We are also a permitted hazardous waste transporter and a U.S. Coast Guard classified **Oil Spill Response Organization (OSRO #32).**
