

SERVICES FOR CONSULTANTS

ABOUT HEPACO

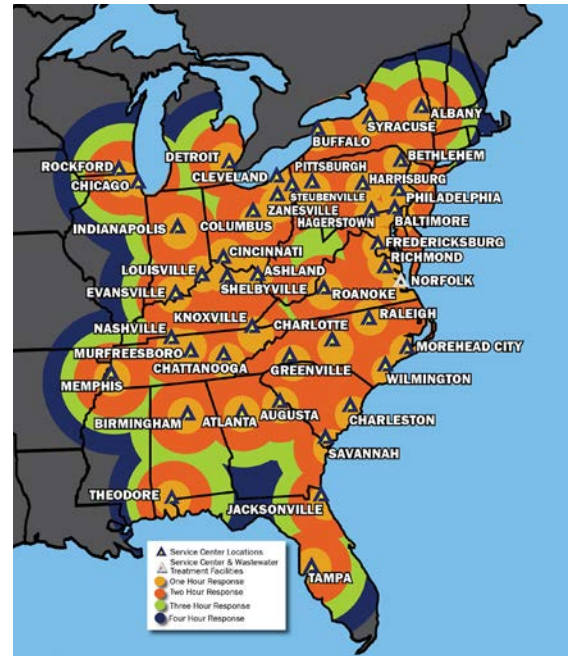

Founded in 1984, **HEPACO, LLC** (HEPACO) is a professional environmental services company with strategically-located service centers providing coverage throughout the Eastern United States, and beyond.

SERVICES FOR CONSULTANTS OVERVIEW

HEPACO has highly-trained people and state-of-the-art equipment to support our partners in the consulting industry. Our industry-specific experience includes **brownfield remediation; vapor barrier installation; wetland construction, stream mitigation & channel restoration; MGP cleanups; fly ash pond remediation; demolition; UST/AST tank cleaning, installation & removal; waste transportation (haz & non-hazardous); vacuum truck services; drum disposal; waste containers; emergency response (OSRO, spills); hydro-excavation; dewatering; air knitting; and multi-faceted projects.**

SAFETY IS AT THE HEART OF OUR CORE VALUES

HEPACO has a deeply-ingrained safety program that is embraced across every level of our organization. We maintain an **Experience Modification Rating (EMR) of 0.75**. All HEPACO field personnel receive extensive training and are part of a medical monitoring program. In addition to HAZWOPER, RCRA, DOT, confined space entry/rescue and first aid/CPR training, we maintain a wide variety of certifications, including **SafeLand, Pipeline Operator Qualified (OQ), Loss Prevention Systems (LPS), API Tank Entry Supervisor (TES), and API WorkSafe**. HEPACO is pre-qualified by the contractor screening consortiums **ISNetwork, CCS, PEC Premier** and **Avetta**. We are also a permitted hazardous waste transporter and a U.S. Coast Guard classified **Oil Spill Response Organization (OSRO #32)**.
