ABOUT HEPACO
Founded in 1984, **HEPACO, LLC** (HEPACO) is a professional environmental services company with strategically-located service centers providing coverage throughout the Eastern United States, and beyond.

MIDSTREAM SERVICES OVERVIEW
HEPACO has highly-trained people and state-of-the-art equipment to respond to environmental service needs in support of the shale gas industry. Our midstream-specific experience includes **tank cleaning; tower cleaning; roll-off truck services; super sucker services; waste transportation** (non-hazardous & hazardous); **waste containers; drum disposal; product transfer; air knifing** (pipeline excavation); **emergency response** (frac-outs, spills); and **confined space entry/rescue**.

SAFETY IS AT THE HEART OF OUR CORE VALUES
HEPACO has a deeply-ingrained safety program that is embraced across every level of our organization. We maintain an **Experience Modification Rating** (EMR) of **0.81**. All HEPACO field personnel receive extensive training and are part of a medical monitoring program. In addition to HAZWOPER, RCRA, DOT, confined space entry/rescue and first aid/CPR training, we maintain a wide variety of certifications, including **SafeLand, Pipeline Operator Qualified** (OQ), **Loss Prevention Systems** (LPS), **API Tank Entry Supervisor** (TES), and **API WorkSafe**. HEPACO is pre-qualified by the contractor screening consortiums ISNetworld, CCS, PEC Premier and Avetta. We are also a permitted hazardous waste transporter and a U.S. Coast Guard classified **Oil Spill Response Organization** (OSRO #32).

OUR SPECIALIZED EQUIPMENT
**Super suckers**
**Vacuum tankers**
**Roll-off trucks**
**Waste containers (roll-off/vac boxes)**
