

TERMINALS & PIPELINES SERVICES

ABOUT HEPACO

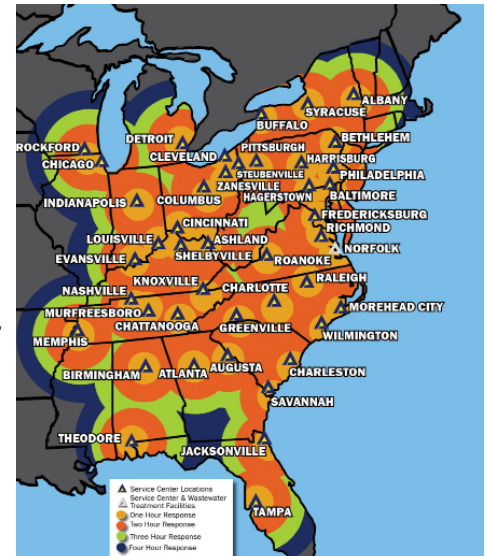

Founded in 1984, **HEPACO, LLC** (HEPACO) is a professional environmental services company with strategically-located service centers providing coverage throughout the Eastern United States, and beyond.

TERMINALS & PIPELINES SERVICES OVERVIEW

HEPACO has highly-trained people and state-of-the-art equipment to respond to environmental service needs in support of the terminal and pipeline industry. Our industry-specific experience includes **tank and vessel cleaning; 2D and 3D non-entry tank cleaning; gas-free cleaning; roll-off truck services; hydrostatic testing; pig support; line jetting and inspection; sewer repair; dike repair; waste transportation** (non-hazardous & hazardous); **waste containers; product turnover and transfers; air knifing and hydro-excavation** (pipeline excavation); **leg setting; tank isolations; OWS installation/cleaning; AST/UST removal/installation; stream restoration; sheet piling; excavation, demolition, and remediation services; emergency response** (OSRO, spills); **marine transfer services; and, confined space entry/rescue.**

SAFETY IS AT THE HEART OF OUR CORE VALUES

HEPACO has a deeply-ingrained safety program that is embraced across every level of our organization. We maintain an **Experience Modification Rating (EMR) of 0.81**. All HEPACO field personnel receive extensive training and are part of a medical monitoring program. In addition to HAZWOPER, RCRA, DOT, confined space entry/rescue and first aid/CPR training, we maintain a wide variety of certifications, including **SafeLand, Pipeline Operator Qualified (OQ), Loss Prevention Systems (LPS), API Tank Entry Supervisor (TES), and API WorkSafe**. HEPACO is pre-qualified by the contractor screening consortiums ISNetwork, CCS, PEC Premier and Avetta. We are also a permitted hazardous waste transporter and a U.S. Coast Guard classified **Oil Spill Response Organization (OSRO #32)**.
